Request under The Freedom Of Information (Scotland) Act 2002

Thank you for your Freedom of Information request dated 7 October, in which you requested the following:

1. The number of companies who successfully applied to the Events Industry Support Fund
2. The amount of each award to those companies
3. The name of each company that was supported by the Event Industry Support Fund

I have considered your request, and can respond as follows:

At this time the information you have asked for at point 1 and point 3 of your request is not yet available. This is because applications to the fund are still being assessed.

Regarding your request at point 2, I can confirm that the amount to be made available to each successful applicant is £10,000, as stated in the guidance for the fund.

I have provided a link to the guidance and in there you will also read that information on all grant awards will be published on the European Commission Competition database when available.
